## ABOUT THE TOUR

We are excited to introduce the 2024 NOTL STUDIO TOUR, with 28 professional artists in 16 venues. There are three suggested tour routes for locating the presenting artists, which will take you through-out the beautiful town of Niagara-on-the-Lake. June 1st and 2nd, 10-5.

We invite you to visit the studios and shared venues, meet the artists and explore their talents and exhibitions. Find the perfect gift. Treat yourself or a friend and support our local artists.

Did you know that most artists are open to taking on a commission? If you can't seem to find exactly what you are looking for, don't be afraid to ask.

**BTW, THE NOTL STUDIO TOUR IS FREE!**

Enjoy the Art and Niagara's bounty and please visit our generous sponsors listed on the brochure.

**Have fun!**

The Niagara on the Lake Studio Tour participants wish to acknowledge and honour the land upon which we work as the historic and traditional territory of First Nations peoples. More specifically, we recognize and thank the Neutral Nation, the Mississauga and the Haudenosaunee for their stewardship of these lands over millennia.
